To whom it may concern

It gives me a great pleasure to introduce Mr. MUHANNAD RAFI ALQARNI . I know him during the time of his study with me, and I had a chance to access his academic record. During his studies, he managed to achieve good academic record compared to others, I taught him courses PUBLIC FINANCE. with very good results (95 of 100).

Mr. ALQARNI. is well organized and energetic, he is a very polite person. He also belongs to a family of principles, integrity, and love of knowledge. In short, he inherited a background of essential skills for a potential candidate. His intellectual capability, quality of communication, analytical ability, and cooperative. I promise that he will be successful as student anywhere.

I would be more than happy to answer any questions or supply further information about him.
